## **TORNEO “NEREO ROCCO” LIST FILLING AND HANDLING INSTRUCTIONS**

Fill the list with birth date, name and surname and passport number.

In the fields reserved to “people allowed in the pitch” you can change the function of the people and add more names if needed.

This document must be sent us back in editable format (no pdf) within September 19th at 10.00 AM. Once you will submit the final list, the shirt number must remain the same for entire tournament.

Before each match you have to provide a copy of the list at the referees, in this copy you have to mark with a circle the first 11 players that will start the match and you have to mark with a cross the Captain / Vice Captain in “CAP / V.C.” column.

Before the start of every match, the referee will check the ID documents of all people allowed to the pitch. This means that **it's mandatory** to have the ID documents before the start of every match, without the documents the match will not start.
